## Doctor express urgent care near me

Important updates on waiting times and visitor capacity Due to the demand for COVID-19 evaluations and tests, many centers are experiencing average waiting times of 1-4 hours and a large amount of phone calls. In some places, we may exceed our daily visiting capacity, resulting in the need to discontinue the registration of patients earlier than usual. If this happens, you can be sure that your care is important to us and we will do our best to see everyone currently in line. We appreciate your patience and understanding as our teams work tirelessly in service to our community. READ frequently asked questions Visit a centre We are open 8-8 every day to take care of your family's illnesses and injuries. Atlantic Health System offers a wide range of emergency care and walk-in services so that patients in our community can easily access medical care when they need it most. Services are conveniently located throughout northern New Jersey and often no deal is required. From imaging and lab services to vaccinations and wound repair, we provide timely care to the whole family. Our healthcare professionals, which include board-certified physicians, can handle most cases on site, but those who require special equipment or training can be referred to one of our hospitals. In the event of a medical emergency, patients are reminded to call 911. Atlantic Advancing Urgent Care provides fast, convenient and inexpensive acute care for everything from minor injuries to complex conditions and is seamlessly connected to Morristown Medical Center when more specialized treatment is needed. At Newton and Sparta Urgent Care, we are dedicated to providing high-quality, immediate, convenient and cost-effective care. Backed by a team of qualified physicians with emergency medicine training, Newton and Sparta Urgent Care offer comprehensive services from common ailments to comprehensive employer services, including occupational medicine and worker compensation. The Atlantic Health System's partnership with MedExpress gives patients access to affordable walk-in care at a dozen locations in northern New Jersey. If warranted, coronavirus testing can be offered at the end of a consultation with a practitioner at this location. Walk-in testing is not available at this time. To limit the potential spread of COVID-19, we have both office and telemedicine visits. If you want to be tested for COVID, have been exposed to COVID-19 or have any COVID-19 symptoms, you should schedule a telemedicine appointment with one of the providers before they come to our centre. If you are injured or are not well, and no COVID-19 symptoms and have not been exposed to COVID, please visit our walk-in Urgent Care Center 7 days a week. To keep our patients safe, AFC Urgent Care Bound Brook has expanded our cleaning procedures to include improved disinfection and upgraded our air filtration to keep air running through our center safe for all patients. AFC Urgent Care Bound Brook now offers virtual visits, a telemedicine alternative to patients who exhibit cough, fever or shortness of breath, have been exposed to someone who has tested positive for COVID-19 or does not feel comfortable visiting our center in person at this time. Patients interested in virtual visits simply need to register online. Within minutes, a member of our staff will call to confirm your information and collect copay for your visit. You will then receive a text message with a link to your Virtual Visit.Please note that not all diseases and injuries can be assessed and diagnosed through virtual visits. For a full list of what can and cannot be solved, please visit our informational page. These urgent care centers - run in collaboration with Atlantic Health System and MedExpress - offer a wide range of affordable walk-in care, employer healthcare and basic wellness and prevention services.
